OLDCASTLE MIXER DRIVERS WIN UTAH READY MIX ROADEO

ATLANTA—Two ready mix drivers at Jack B. Parson Companies, an Oldcastle company, earned cash prizes and top honors at the eighth annual Northern Utah Ready Mix Truck Rodeo. Drivers placed first and third in this year's competition and have won seven out of eight years. The event is sponsored by the Ready Mix Council of The Associated General Contractors of Utah.

Corey Sadler, 42, a 15-year employee, was awarded the first place honor and \$1,000 cash prize. He represented the company at the National Ready Mix Concrete Association Rodeo held October 10 in Charlotte, North Carolina. **Chuck Rasband**, 61, with 14 years of service, received a third place plaque and \$500 cash prize.

Sadler and Rasband excelled on the written test, pre-trip inspection conducted by the Utah Highway Patrol, driving test to measure aptitude in maneuvering, backing, turning and stopping, and concrete placement and chute handling skills.

Scott Parson, president, Oldcastle Materials Mountain West Division, and a member of The Associated General Contractors of Utah Board of Directors, said, "The accomplishment of these two men is to be commended. Their achievement is representative of Oldcastle's commitment to safety and training and all of us throughout the organization take great pride."

Headquartered in Atlanta, Ga., Oldcastle Materials is the leading vertically integrated supplier of aggregates, asphalt, ready mixed concrete and paving services in the United States with 1,400 locations in 44 states. The company operates under the North American arm of international building supply company CRH plc, based in Dublin, Ireland.
